

# Fishing in Pettneu & Schnann

You will find numerous trouts and chars in our clear water of the Tyrolean Alps.

Fishing takes place in the Rosanna, starting from “Giasi-Bach” to the eastern Schnann fishing border (including the Malfon valley), sanctuary near the railway bridge (according to the marking). The water can be fished from both sides of the river throughout the season.

The area is also an eldorado for fans of fly fishing. Spoon fishing and live bait prohibited!
