

LET'S EXPERIENCE THE ARLBERG TOGETHER

We want to collaborate to ensure that our values are shared and put into practice and that we act sustainable for our region.

Welcome, friends!

We hope you'll have a marvelous time in our winter sports wonderland! You're now all part of Friends of St. Anton - a community steeped in its love of sport and committed to respecting one another. As a friend, we have four requests for how we can share the good times together and make everyone's winter dreams a come true.

Many thanks!

Winter sports are in your DNA?

Then we have something in common! St. Anton is the cradle of alpine skiing. And because we all love our region and community so much, it is important we treat each other with respect. Of course, each of our personal actions can actively contribute to this spirit.

Enjoy the snow, have fun, and thank you for being such great Friends of St. Anton!

Have a cool time!

THANKS

For removing your ski boots after 8pm.

For not drinking and yelling on the street.

Live it up in our amazing bars and clubs.

We all appreciate a clean St. Anton.

They're more fun on our 300 km of pistes anyway.
